

Message from our Chairman:

Having taken over as Chairman we have been in this strange and worrying situation with many of us unable to see family and friends. We have been using words like lockdown, socially distanced and zoom. We have never said unprecedented, the new normal or stay safe quite so often! For me it has meant that I have been unable to welcome you to an Open Meeting and get to know you all face to face. However I have been very much heartened by the lovely messages that I have received and by the way members have supported each other by phone or online in the last few months.

Many groups have stayed in touch and some are now able to meet in gardens and take exercise, following government guidelines. I believe that it will be some while before we can all meet as a whole U3A.

I can assure you that the committee are managing to meet online and continue to do the routine tasks. I felt very assured taking over as Chairman as we have a very hardworking, efficient and supportive committee.

So please stay safe, keep in touch and I look forward to meeting you and continuing our events in the not too distant future.

Sarah Houghton
